How to Complete an ABLE tutorial

- **Go to** www.oercommons.org/authoring/10118-able-interactive-tutorials, **and click the tutorial that you want to complete.**
- **Type your full name in the textbox and click CONTINUE**

If the textbox is missing, REFRESH the page *OR* if someone else's name is listed at the bottom-left, click CHANGE and type your own name.
- **Click START to begin watching the video**

You will need speakers or headphones to hear the audio.
The video is approximately 10 minutes long.
- **Answer the questions and prompts when the video pauses**

You can also pause whenever you need to.
- **Share your feedback in the questions at the end to make this a better resource for you**

Your input is really important. Please provide any constructive input you think would make this a better resource for everyone
- **Type your email address to get the CEU sent to you**

CEUs are sent out within about 1 month of completion of the tutorial.

What is ABLE?

The ABLE professional development series is a collection of interactive tutorials that allow you to choose the components and concepts you need when you need them.

- ▶ Each tutorial takes about 20 minutes or less.
- ▶ Access the tutorials you need when you need them.
- ▶ Earn 1 CEU for each tutorial you complete.
- ▶ Managers can have teachers print their reports if they are compensated for their training time.
