

Ready, Set, Action!

Interactive Tech Tools to Energize your Classroom

While you wait for the ACTION to start, please do the following:

1. Check to see that you have a QR code reader. This will make it easier to find the activities.
2. Download the GooseChase *iphone* or *android* app. Register for a free account.
3. Make sure you have the COABE 2018 app:
itunes: <https://itunes.apple.com/us/app/id819479489>
googleplay: <https://play.google.com/store/apps/details?id=me.doubledutch.coabe>
laptop/desktop: <https://us-identity.doubledutch.me/authz/signin>
(For those who have the laptop from last year: Open the COABE mobile app, Select "Switch Event/Logout" from the app menu screen, then Select "COABE 2018" under Current Events)
4. If you have a google account, have your log-in information handy.
5. We ask that you wait for us to begin navigating the activities—it will be more fun that way!

Pear Deck for Google Slides:
<https://www.peardeck.com/googleslides/>

Pear Deck is an interactive presentation tool used to actively engage students in individual and social learning. Teachers create presentations using their Google Drive account, and Pear Deck is an "add-on" that works with Google slides. Students log into the presentation with unique access codes and interact with questions while teachers monitor student and whole-class progress.

Log-in info will be provided on the slide deck.

You will need a google account to join this activity (not required).
